## **COVID 19– Update on Face Coverings**

**Face coverings are now mandatory in places of worship and church halls. While there are exemptions, this is a legal requirement.**

### **What is a face covering?**

A face covering is something which safely covers the nose and mouth. You can buy reusable or single-use face coverings. You may also use a scarf, bandana, religious garment or hand-made cloth covering but these must securely fit round the side of the face.

Children aged 11 and under, and those with valid exemptions do not need to wear a face covering.
