

Basingstoke Deanery Synod Report 2020

Deanery Synod is a meeting which allows the churches in the Deanery to work together for common purpose and pool resources for common projects etc.

Each meeting begins with a short act of worship led by the Vicar whose church is the place of meeting. There is always a Finance presentation and this includes a review of where each Parish is with payment of the Common Mission Fund.

St. Gabriel's has the option to have two Deanery Synod members and one of those positions requires filling at this APCM. If this is an area which interests you, please consider putting yourself forward for nomination.
