

Children's Church Report 2020

We have had another great year in Children's Church. We have been very fortunate to be able to work with our younger children, and seeing their understanding of their faith develop and grow over time has been a blessing. Clare has also been able to spend time with our older children, helping them to get an understanding of what it means to be a young Christian today.

Our Children's Church sessions run every Sunday except the last of the month. We cover a wide range of subjects, often following the readings of a particular Sunday in an informal craft and fun session including a story from the Bible and a prayer. We also make up little plays and performances, especially with the puppets, which the children really enjoy performing for the congregation at the end of service.

Our children have made many wonderful and artistic creations, and take great pleasure in displaying their handiworks to the congregation at the end of the service. We all really enjoy getting messy with glue, glitter, paint, and anything sparkly! The children learn so much through expressing themselves in a creative way, and we all have a lot of fun!

This year they were able to put that creativity to good use by making Christmas ornaments to sell at our Christmas Fair. They raised an amazing £90 which was donated to Basingstoke Young Carers
