

Parochial Church Council, (PCC), Secretary's Report 2020

As a PCC we have met over the last year 10 times this year with a high percentage of attendees. We managed to get our quota of meetings completed before the Coronavirus took over.

There have not been any changes within the PCC throughout the past year.

I would like personally to thank Amanda for all the hard work she does as our Administrator and for putting together all the documentation for the APCM.

We look forward to working on your behalf this year and hopefully bring some normality back in the next seven months until the 2021 APCM
