

## **Worship Group Report 2020**

The worship group formed shortly after our visit to Old Alresford Place in 2015.

We meet on a Saturday morning to practice for the following Sunday and enjoy a time of prayer and fellowship as well as singing. Songs are generally chosen by Arthur based on the theme and/or readings for that week.

Once again some of us had the opportunity to attend the Cherish Conference 2019. It really gave us a new and refreshed perspective on our style of worship, and introduced us to new songs and inspiration. It helps to deepen our faith and reawakens our spirituality.

This year Sandra Hubbard has recently joined us to sing, adding another voice to our group for which we are very grateful. We also have musical instruments for the children to join in during the last song, which they have great fun doing!

We look forward to continued growth musically and spiritually over the coming year.

Thank you for all your support and encouragement.

**Catherine, Karan, Emma, Mark, and Sandra**
